We have received good experience and responses from Visitors and Exhibitors for the last events and expect to continue to grow and is reflected in the strong supports from ministries in Binh Duong and trade associations, together with the significant increase of local and international exhibitors from all over the world. With more than 250 exhibiting companies from over 15 countries, Vietnam Industrial & Manufacturing Fair 2017 will bring you practical insights into the latest, most suitable strategies, technology trends, solutions to achieve and maximize productivity and operational efficiency in general manufacturing, high technological precision manufacturing and subcontracting industries.

In addition to an International conference, a full program of technical seminars will be held alongside the exhibition during 3 days. It will provide an invaluable platform for discussing the key trends and issue topic in Connected Manufacturing, Industry 4.0, Digital Automation, 3D Print and Design, Robotic & Vision Systems and the latest technologies.

We look forward to seeing you at the exhibitions from **7th – 9th June 2017** at Binh Duong Convention & Exhibition Center. Please feel free to contact us on further details.

Thank you and best regards.
